

WINE LIST

RHESTR GWIN

2023

Let me introduce myself to those of you who have never heard of **CARU GWIN**. My name is Ffion Lewis Jones and I am the tastebuds behind **CARU GWIN** and I do just that - I love wine.

Many years ago I was introduced to wine – the good stuff, not the plonk with funky labels I used to guzzle while watching the Eurovision Song Contests as a student! My wine guru was a wonderful gentleman and a local legend, Glynne Jones. I think it was fair to say that Glynne enjoyed his wine and my family and I spent many an afternoon or evening, Christmas and even the odd holiday or two in his company. I have a fond memory of him sat in a restaurant in the village of Floure, outside Carcassonne, thoroughly engrossed in a massive leather-bound wine list trying to decide what to choose. Needless to say his choices were spot on! I became a devotee of French wine and it did take me quite a while to acknowledge anything produced outside France in the "Old World" let alone the "New World". Although I am still an Old World girl at heart, I love trying wines from all over the world. I can, however still be swayed by a funky label!

In 2015 when I was lucky enough to be offered the opportunity of taking over from an established wine supplier, **CARU GWIN** was uncorked! The prospect of discovering new wines was just too good to turn down. In the last seven years I have been fortunate enough to develop my taste buds by tasting many, many new wines. It also gives me the perfect opportunity to put to good use some of the information I gained through completing both Intermediate and Advanced levels in Wines and Spirits from the Wines and Spirits Educational Trust which were invaluable in being able to expand my knowledge of wine and the wine industry - and I have a certificate to prove it!

I currently supply wines to businesses throughout Ceredigion but mostly to a loyal and wonderful band of individual customers from my little 'cave' in Aberaeron. My premises are fully licensed and I am registered under the Alcohol Wholesaler Registration Scheme (AWRS), as indeed are all of my suppliers. I stock a broad spectrum of over one hundred wines including still, sparkling and fortified with prices starting at £7.99. You don't have to compromise when it comes to good wine and settle for the mass produced rubbish often found in supermarkets. Good wine does not have to cost an arm and a leg if you know where to find it and I always try to provide quality wines at reasonable and competitive prices.

The last few years have been a bit of a rollercoaster for everyone. However, thanks to my wonderful customers, **CARU GWIN** has continued to grow. My weekly delivery service is still busy and collection from **CARU GWIN** HQ is of course available. I have also seen the return of some brilliant and fun wine tastings, both in private homes, as well as a public event with a few more planned for the remainder of the year.

If you would like to organise a wine tasting, or need wine for an event you are holding, please feel free to telephone me or drop me an e-mail, private and business customers alike! Don't forget the biggest advantage of a local supplier is that if you run out, I am only a phone call away and I can often arrange deliveries at short notice.

In the meantime, do please have a look at my website www.carugwin.com where you will always find the up-to date wine list. You can also follow me on Instagram, Twitter and Facebook.

Cheers - Iechyd da!
